

Vision & Mission

Madie Ives K-8 Preparatory Academy

Vision

Madie Ives K-8 and its stakeholders are dedicated to challenges and motivating all students to reach the highest possibly levels of academic, personal, social, technological, and career development. By providing a variety of teaching strategies, methods and the latest advances in technology; Madie Ives K-8 students will become productive, literate and responsible citizens in our multicultural society.

Mission

Madie Ives K-8 prepares students for the future by emphasizing the importance of being functional, literate and global thinkers. Our goal is to create productive, competent members of adverse society; utilizing resources that integrate effective telecommunication strategies, advances in technology, and programs that heighten student achievement and cultural sensitivity. Madie Ives K-8 students will become functioning members of an ever-evolving society.
