Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring test that is administered three times per year to track your student's progress in learning the Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards. Your student will take the Renaissance Star Early Literacy, Star Reading, and/or Star Math assessments on the following dates.

Grade(s)	Math Test Dates	Reading Test Dates
KG & 1	4/13 – 4/14	4/20 – 4/21
2	4/16	4/22

The results from PM3 will show how well your student has mastered the grade level content standards. You will be provided with information about how to see your student's results after testing is completed.

FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get less or more difficult depending on how your student responds, and each student will see different questions from a common item bank. You or your student can review Star Early Literacy, Star Reading, and/or Star Math sample items at home at <https://flfast.org/families.html>.

If you have any questions related to this test administration, you may contact your child's teacher at (305) 651-3155.

For more information about the Florida Statewide Assessments program, please visit the portal at <https://flfast.org/fsa.html>.

Thank you for supporting your student and encouraging him or her to do his or her best on the test.

Sincerely,

Dr. LaShinda Moore
